Australian National University (ANU) has launched the Future Research Talent Travel Award Program.

It aims to offer to up to 35 high-achieving Indian students from selected Indian institutions, having long-term strategic partnerships with ANU, a place in the inaugural round of the scheme in 2018-19. Each student will receive A\$6000 to support the cost of travel to Canberra and spending 10 to 12 weeks conducting research in one of the Science Schools and Centres at the ANU.

Further information about the program can be found at <https://science.anu.edu.au/news-events/news/anu-launches-travel-awards-india-s-and-coming-research-scientists> .
