About the Chamber

The Indo-Australian Chamber of Commerce is the premier platform for promoting Indo-Australian business exchanges. It functions closely with Government of Australia and its High Commission in India. Among the distinguished Speakers, who addressed members of the Chamber, are Prime Minister, John Howard; Hon. Alexander Downer, Minister for Foreign Affairs; Hon. Mike Rann, Premier of South Australia; and Hon. Alan Carpenter, MLA, Premier of Western Australia.

The membership of the Chamber covers a broad spectrum of industries and products spread across different regions in the country.

The Chamber’s activities cover four areas:

- Provides a database on Australian and Indian industries and advise members on the emerging trends in bilateral trade.
- Acts as a continuing link between Indian and Australian companies with a view to identifying specific opportunities for trade and technology transfers.
- Creates awareness among members and others on bilateral business opportunities through seminars, workshops and trade missions.
- The Chamber works closely with Chambers of Commerce, trade bodies, universities and other research institutes in Australia to promote a wide range of interaction between India and Australia.

The Chamber’s publications like

- Annual Report
- Quarterly Bulletin
- Monthly online magazine “Business Talk”

are excellent media for advertisements and for reaching out to Indo-Australian business community.

The Chamber welcomes your enquiries, comments and suggestions and will be happy to put you on our mailing list.

Your communications may be addressed to
